### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: It is agreed that "Masugana does not disclose the provision of an auxiliary frame. Moreover, the teachings of the provision of a flexible frame, lead away from the provision of an auxiliary frame in view of the inherently flexible nature of the support for the auxiliary frame. As such far from encouraging the use of an auxiliary frame, the Masugana reference teaches away from the incorporation of such a frame" as argued. Therefore the rejection over Zider in view of Masugana has been withdrawn. The prior art neither disclose the limitations "at least a portion of said temporal members and at least one of said first bridge and said second bridge is comprised of a flexible shape memory alloy" nor the limitations "said primary eyeglass frame includes a first bridge comprised of a flexible shape memory alloy, and said auxiliary eyeglass frame includes a second bridge comprised of a flexible shape memory alloy" in combination with claimed subject matter as claimed. The prior art does not disclose or fairly suggest, by themselves or in combining with any other reference, to meet the limitations as claimed in claims 1,4,10. Therefore claims 1,3,4,6,7,10,12,14,16,20 and 21 could be allowable over the prior art of record.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
